The EcoDesign 2007: "5th International Symposium on Environmentally Conscious Design and Inverse Manufacturing" will be held in Tokyo (The National Museum of Emerging Science and Innovation) in December 10-13, 2007 (Fig.1). All individuals who wish to present technical papers should submit extended abstracts by email ([ecodesign2007@abegroup.jp](mailto:ecodesign2007@abegroup.jp)) before May 14, 2007. The filled-out Abstract Submission Form should be attached to your abstract.

The technical session consists of full presentations, short presentations, and poster presentations.

- 1) Full presentation style: 25 min for oral presentation (incl. discussions)  
2 pages for an Extended Abstract, 4 pages to 8 pages for a Manuscript
- 2) Short presentation style: 15 min for oral presentation (incl. discussions)  
1 page for an Extended Abstract, 2 pages for a Manuscript
- 3) Poster presentation style: Presenting at Poster Session  
1 page for an Extended Abstract, 2 pages to 4 pages for a Manuscript

Each extended abstract is reviewed by the international EcoDesign 2007 program committee and be judged as accepted / rejected according to the following criteria, in order to increase quality of the symposium. **This review process does not imply that EcoDesign 2007 selects only academic papers. Papers describing industrial, business, and social experiences are also welcome.**

- Relevance to the scope of EcoDesign 2007
- Originality of the proposed contents
- Significance of the proposed results to the scope of EcoDesign 2007

Notification with some reviewers' comments will be sent on July 13, 2007 by e-mail. Any inquiry for the submission, please feel free to contact the secretariat by e-mail at your earliest convenience.

Manuscripts are limited to the pages described above (Letter or A4 size paper), including all figures, tables, and references and should be submitted before September 14, 2007. Detailed information will be sent with notification of acceptance.
