

Title of Book/Volume/Conference: Design for innovative value towards sustainable society — Proceedings of EcoDesign 2011: 7th International Symposium on Environmentally Conscious Design and Inverse Manufacturing

Editor(s) name(s): Yasushi Umeda, Shigehito Ibuka, Mitsutaka Matsumoto, and Keijiro Masui

Title of Contribution:

Author(s) full name(s):

Corresponding Author' s name, address, affiliation and e-mail:

When the Author is more than one person the expression "Author" as used in this agreement will apply collectively unless otherwise indicated.

§ 1 Rights Granted

Author hereby grants and assigns to Springer Science + Business Media B.V., Dordrecht (hereinafter called Springer) the sole, transferable right to reproduce, publish, distribute, transmit, make available or otherwise communicate to the public, publicly perform, archive, store, lease or lend and sell the Contribution or parts thereof individually or together with other works in any language, in all revisions and versions (including soft cover, book club and collected editions, anthologies, advance printing, reprints or print to order, microfilm editions, audiograms and videograms), in all forms and media of expression including in electronic form (including offline and online use, push or pull technologies, use in databases and networks for display, print and storing on any and all stationary or portable end user devices, e.g. text readers, audio, video or interactive devices, and for use in multimedia or interactive versions as well as for the display or transmission of the works or parts thereof in data networks or search engines), in whole, in part or in summarized form, in each case as now known or developed in the future, throughout the world and during the term of copyright protection as defined in domestic law, including the right to grant further time-limited or permanent rights. For purposes of use in electronic form, Springer may adjust the Contribution to the respective form of use and include links or otherwise combine it with other works. Springer may use the Contribution for advertising purposes.

Springer will take, either in its own name or in that of Author, any necessary steps to protect these rights against infringement by third parties. It will have the copyright notice inserted into all editions of the Contribution according to the provisions of the Universal Copyright Convention (UCC) and dutifully take care of all formalities in this connection, either in its own name or in that of Author.

If the Contribution was performed under U.S. Government contract, but Author is not a U.S. Government employee, Springer grants the U.S. Government royalty-free permission to reproduce all or part of the Contribution and to authorize others to do so for U.S. Government purposes. If Author is an officer or employee of the U.S. Government reference will be made to this status on the signature page.

§ 2 Rights retained by Author

Author retains, in addition to uses permitted by law, the right to communicate the content of the Contribution to other scientists, to share the Contribution with them in manuscript form, to perform or present the Contribution or to use the content for non-commercial

internal and educational purposes, provided the Springer publication is mentioned as the original source of publication in any printed or electronic materials. Author retains the right to republish the Contribution in any collection consisting solely of Author's own works without charge and subject only to notifying Springer in writing prior to such publication of the intent to do so and to ensuring that the publication by Springer is properly credited and that the relevant copyright notice is repeated verbatim.

§ 3 Warranties

Author warrants that the Contribution is original except for such excerpts from copyrighted works (including illustrations, tables, animations and text quotations) as may be included with the permission of the copyright holder thereof, in which case(s) Author is required to obtain written permission to the extent necessary and to indicate the precise source. Springer has the right to permit others to use individual illustrations within the usual limits.

Author warrants that he/she has power to grant the rights in accordance with Clause "Rights Granted", that he/she has not assigned such rights to third parties, that the Contribution has not heretofore been published in whole or in part, contains no libelous statements and does not infringe on any copyright, trademark, patent, statutory rights or proprietary rights of others, including rights obtained through licenses; and that Author will indemnify Springer against any cost, expenses or damages for which Springer may become liable as a result of any breach of this warranty.

§ 4 Delivery of Contribution and Publication

Author agrees to deliver to the responsible Editor(s) on a date to be agreed upon the manuscript created according to the Instructions for Authors. Springer agrees to publish the said Contribution at its own cost and expense.

§ 5 Author's Discount

Author is entitled to purchase for his/her personal use (directly from Springer) other books published by Springer at a discount of 33 1/3% off the list price as long as there is a contractual arrangement between Author and Springer. Resale of such copies or of free copies is not permitted.

§ 6 Governing Law and Jurisdiction

This agreement shall be governed by, and shall be construed in accordance with, the laws of The Netherlands. The courts of Amsterdam, The Netherlands shall have the exclusive jurisdiction.

Corresponding Author signs for and accepts responsibility for releasing this material on behalf of any and all Co-Authors.
